the Enquirer. Unfortunately, your comment on its comparison is too true.

as are fakes based upon the solid. Chapman's conclusions are wrong. I have all these pictures and other work he did for me in order to understand because he must impose his preconceptions. Lee was in New Orleans at the time he says he saw him in Dallas. This is new or unpublished earlier.

is more complicated, more sinister and presents considerable. Eventually see, he stole the documents from my COUP. I had loaned a friend who was doing some investigating for me and Skolnick took him, pretending he'd try and carry my work forward. He has a merely adding the refuse of a mind sick with ego and eaten appetite for publicity and the most uninhibited imaginings, wishes and wishful, cooking up what has not a single one of the real law suit. He thrives on getting out of court, thus presenting his increasing followers, all persuaded that government is not as he says and not more than he.

concern is that when, as it inevitably will be, this case is there will be national headlines proclaiming "Warren Report suppression", to the detriment of truth and the defamation of the nation. I have won the first one, but there has been not a second going to do it, so was the Washington Post syndicate. Because the victory proves Kleindienst a self-proclaimed liar, a double and twisted public official. Rather than face me in court, how much less newsworthy could this be? But let effluvia flow, and it gets an enormous play. The media has an unerring nose and plays it big to undermine what is solid and to silence in the few of us doing any real work.

deal, as is the threat. He was, in Chicago alone, and had no car. It was also not Oswald's car. This is the real reason JFK was shot. Groth, my discovery not Skolnick's, as again you'll see if the book (limited, xerox edition now only), is connected with no other of the attempt believed imminent on JFK, which is hardly un-

you are getting the story of my current life.

Many thanks, best regards,
